TO: Captain Robert B. Lyon

SUBJECT: Commendation

1. I have just learned that you are shortly to be transferred from this Agency to the Medical Corps. Your loss to OSS and to our work in China will be a very substantial one. However, you have certainly earned the right to take any assignment you may choose, and it is impossible to say that as a trained doctor and surgeon you could at this time be of greater service elsewhere than in your own profession.

2. I am happy to take this opportunity to thank you personally for your unusually fine record of service in China, first with the AOWTS organization and later with OSS. It is the unanimous testimony of the officers who have worked with you in China that your record as an intelligence officer has been one of the outstanding personal achievements made by any member of OSS in that theater. You displayed courage, resourcefulness, and the ability to achieve results in the face of danger, hardship, and obstacles of all kind. We are proud to have had you associated with us.

3. I regret very much that it has proved impossible to effect your promotion to major as recommended by your Commanding Officer in China. Your promotion was in the course of being recommended to the War Department at the time when you decided to transfer to the Medical Corps. This transfer has, of course, prevented us from proceeding further with the matter, since our recommendation would have to be based upon your future assignment.

4. I am directing that a copy of this memorandum be placed in your R01 file.

Dear General:

At dinner Friday evening you inquired about the representative we had had in Japan.

His name is Arthur Creighton Lumley and his address is Kirby Lane, Rye, N. Y. He was located for a number of years in Kobe as Sales Manager for our subsidiary, National Aniline & Chemical Company. He has not been connected with us for the last two years. I understand that he has been doing considerable work at the New York office of Army Intelligence. I also understand that he has been quite ill and is about to have an operation.

If I can be of further assistance please let me know.

Sincerely yours,

H. F. Ashton

Dear Mr. Lynch:

Due to Mr. Stettinius' absence from the city and unavailability for other reasons, it has not been possible to deliver to him the attached letter which General Donovan left with me. Consequently, in accordance with my conversation with your Mr. Hayes, I am taking the liberty of delivering it to you for Mr. Stettinius.

When Mr. Stettinius desires to speak with me about this matter I will, of course, be available. Please do not hesitate to call upon me.

Dear Ed:

I have your letter with regard to Lundquist. You know that as the same as other agencies, we have to meet budget curtailment, but at the same time are receiving greater demands for our services in the field. Nevertheless, I know your problem and I am more than willing to give you a loan of Lundquist. I hope he can help.

It also occurs to me as I write, that the studies that we have here from our research people may be of value to you. I have asked Lieutenant Putzell, our executive officer, to see you with this note. He can show you the nature of these studies. If you find them of value we will see that you are serviced in this respect.

I am leaving in the morning for China, but upon my return it might be well for us to talk together to see if we could be of help to you in the way of obtaining intelligence for you.

Best of luck.

Sincerely,

William J. Donovan

Dear Bill,

As you know, the Presentation Staff which you so generously provided for the San Francisco Conference did a very splendid job. It is natural that we want to continue to utilize these techniques in the interim period of setting up the United Nations Organization.

Rather than impose on you for such a large staff, it is my hope that the Department of State will soon establish a Presentation Unit capable of continuing this type of work.

However, I have need of an assistant who will be able to advise and represent me on Presentation matters and I should greatly appreciate your lending me Mr. Oliver Lundquist for a temporary period until a permanent arrangement can be made. Mr. Lundquist did outstanding work at San Francisco and knows the subject matter, as well as our people, very well.

If such an arrangement is satisfactory to you, I trust that Mr. Lundquist will be able to arrange the necessary administrative details.

With renewed thanks and kindest personal regards,

Sincerely yours,

EDWARD R. STETTINIUS, JR.

SUBJECT: Relief from Active Duty
THROUGH: Director of Strategic Services

TO: The Adjutant General
ATTN: Officer's Branch
Separations Section
Munitions Building
Washington 25, D. C.

1. Under the provisions of Section III, WD Circular 485, 1944, request that I be relieved from active duty in order that I may continue with the Office of Strategic Services in a civilian capacity.

2. Pursuant to paragraph 7, cited reference, the following information is furnished:

A. Office of Strategic Services.

B. (1) Collects and analyzes such strategic information as may be required by the U.S. Joint Chiefs of Staff.

(2) Plans and operates such special services as may be directed by the U.S. Joint Chiefs of Staff.

C. Chief Accountant, Special Funds Division, Finance Branch. In this capacity I will be responsible for supervising the maintenance of records dealing with the expenditure of unvouchered funds and for the orderly liquidation of outstanding accounts which must now be effected as a result of cessation of hostilities. The Special Funds Division deals primarily with expense accounting and payroll records of confidential civilian personnel whose salaries are paid from unvouchered funds. In auditing these accounts and records it will be necessary for me to contact such personnel through civilian channels to effectively carry out this assignment. Therefore it is essential that I be in civilian status.

2. On 13 November 1942 I was commissioned in the grade of Second Lieutenant, Ord., Army of the United States, and was assigned for duty with the Office of Strategic Services with which agency I had been employed as a civilian. I have been with the Office of Strategic Services during the entire period of active duty.

3. It is the desire of the Office of Strategic Services that I continue with it in a civilian capacity to which I have agreed.

4. In civilian life I was primarily an executive with an investment trust firm, handling various types of private investment accounts.

5. It is, therefore, respectfully requested that I be relieved from active duty with the Army of the United States.
